Dear Sir or Madam,

The Undersigned informs the office that the entity status of the Applicant has changed, by virtue of the IP assets, including this patent, being purchased by a large entity, American Traffic Solutions, Inc. Consequently, the Undersigned has paid a portion of the maintenance fees (for a small entity) online on 9 March 2011. It is believed therefore that after duly filing this Notice and deficiency fee payment, the full payment for a large entity shall have been made and so everything should be in order.

Consistent with the foregoing, the Undersigned hereby authorizes the office to charge the deposit account No. 502621 of Moetteli & Associates SaRL in the amount of \$1305 (in order that the total of all fees pays, both online and via this authorization, total \$2610).
